Thanks Dick DeVos!

**Workers in China
thank Dick DeVos
for sending
them our jobs.**

As President of Amway, Dick DeVos fired 1,400 Michigan workers and moved their jobs to China.¹

DeVos relocated his official corporate headquarters to Bermuda so he could claim to be a foreign company and evade Michigan taxes.²

DeVos supports George Bush's unfair trade deals that are responsible for hundreds of thousands of American jobs going overseas.³

DeVos is hostile to unions and will make it harder for us to organize and bargain for fair wages and benefits.⁴
