EMILY SIROTA

Voice for Denver
Families.

UNIVERSAL PRE-K AND KINDERGARTEN

A champion of our public schools and an expert in early childhood education, Sirota knows how investing in pre-K and kindergarten leads to greater academic success. She will fight to ensure every Colorado child has access to pre-K and kindergarten, no matter where they live or their parents' income.

HEALTH COVERAGE FOR ALL

Sirota believes healthcare is a basic human right for all Coloradans, not just for those who can afford it. While Donald Trump and Congressional Republicans continue their assault on the Affordable Care Act, we in Colorado must step up to ensure we protect the most vulnerable.

PROTECTING REPRODUCTIVE FREEDOM

Sirota is a strong voice against right-wing politicians who attempt to chip away at women's reproductive rights. She supports scientifically accurate sex education in our public schools and will always fight to protect access to contraception and safe and legal abortion.

STRONGER GUN POLICY

The candidate with the guts to stand up to the NRA, Sirota will fight for stronger laws to keep guns out of the hands of violent criminals and people who pose a threat to themselves or others. That means banning assault weapons and requiring an exhaustive background check before ALL gun sales in Colorado.
