# Charlie McConkey is Ready to Work for Us

## About Charlie McConkey

- Attended Abraham Lincoln High School & Iowa Western
- Steelworker, Griffin Pipe Plant – 1977-2008
- Vice President – Roberts Park Neighborhood Association
- Married to Sheryl McConkey, they have four grown children and seven grandchildren.

*A steelworker for 31 years, Charlie McConkey is running for the Iowa House so he can make government work for average, middle class families.*

### **Fair Wages to Support Families**

Charlie McConkey believes hard-working Iowans deserve a fair wage. In Des Moines, he will lead the fight to raise the minimum wage and ensure women receive equal pay when they do the same work as men.

### **Protect Iowa Jobs**

McConkey understands the challenges businesses face. He worked at the Griffin Pipe Plant for 31 years before it was forced to close. He'll fight to make sure local companies get the first crack at state contracts, so we keep our tax dollars and jobs in Iowa, not outsource them to China.

### **Educate and Train a Skilled Workforce**

It takes a highly skilled workforce to attract companies to our community. A graduate of Iowa Western, McConkey will work to create partnerships between community colleges and businesses, so workers learn the skills employers are looking for.
