# GERRY CONNOLLY SUPPORTS STRONGER GUN CONTROL

While most in Congress are afraid of the NRA, Gerry Connolly is proud to be on their Enemies List. The gun lobby has already spent \$32,500 to defeat him for reelection because he continues to push for stronger laws to end the pattern of gun violence.

## **BANNING ASSAULT WEAPONS AND BUMP STOCKS**

He supports banning assault weapons and outlawing bump stocks that are used to turn rifles into machine guns.

## **PROTECTING VICTIMS OF DOMESTIC VIOLENCE**

He supports national legislation allowing law enforcement to confiscate guns from people accused of domestic violence.

## **MANDATORY BACKGROUND CHECKS BEFORE ALL GUN SALES**

He supports criminal and mental health background checks for all gun sales at shops, guns shows, and over the internet.
